## Ferienhaus in Brixen im Thale

The Beerenhaus with three apartments and two cellar studios (please search for the Preiselbeer apartment separately on the website) offers complete amenities and is quietly located at the edge of the forest in a cul-de-sac – ideal for anyone seeking relaxation and nature.

Right from the house, you can explore the surroundings on marked hiking and cycling trails – all without a car! The recreational facility with swimming pool and bathing lake, as well as the children's playground, are easily reachable on foot. In winter, the ski bus, which stops right in front of the house, takes you comfortably to the ski area – or you can use the Schusterbühlerlift, which is also located right in front of the house.

Whether active recreation or relaxation – here you can fully enjoy the Alps!

## Helma Beker

Welcome to our family home in the heart of Brixenthal!

For over 30 years, I – Helma – have been happily welcoming guests to our cosy apartments.

Because my mother used to love picking berries in the forest, our house is called Beerenhaus – and each apartment is named after a different berry. A small tribute to our love for nature!

Our apartments are carefully and thoughtfully decorated to make you feel at home from the very first moment. I usually respond to inquiries within 24 hours – please also check your spam folder in case you haven't received a reply.

I look forward to welcoming you soon at the Beerenhaus!

Warm regards, Helma
