Gasthof Bergschenke Krin

inn in Kirchberg in Tirol

The Bergschenke Krin is an ideal starting point for nature lovers. You can discover and experience the mountains on foot or by mountain bike directly from our house. In winter you can start skiing with 170 km of perfectly groomed ski runs and 32 km of ski routes with 53 cable cars and lifts right outside the door. For night owls, the Sportberg Gaisberg in Kirchberg invites you to go night skiing. There is also a fast toboggan run there, which can be easily reached with the Gaisberg lift. The Bergschenke Krin is also an après-ski insider tip. In our restaurant you can pamper your palate with everything from a simple snack to Tyrolean delicacies and international cuisine. Due to our quiet location, we are also an ideal holiday destination for children. The little ones can romp around the house without a care and explore the Tyrolean nature.
