Grittmühle Chalet | Ferienwohnungen

holiday apartment in Brixen im Thale

The Grittmühle is located in beautiful Brixen im Thale - right in the heart of the Kitzbühel Alps. Summer and winter alike, we are the ideal starting point for activities of all kinds and guarantee maximum comfort and an unforgettable stay. For more than 30 years we have been expanding and renovating our house annually and have furnished our vacation apartments with heart and soul & Tyrolean charm in old wood style. With our bread service, we bring you fresh rolls and crispy fine bread directly to your apartment so you can enjoy your breakfast in the comfort of your pajamas. Because our aim is to make our guests feel like they're "dahoam" (Tyrolean dialect for "home"). You'll never be bored here - but the best thing to do is to see for yourself. We look forward to your visit! Your hosts, the Schermer family, Erika & René

René Schermer

Our history reaches back as far as to the ancient romans! Well, maybe not that far...In the year 1907 we started cutting wood with the help of hydropower and a couple of years later in 1954 we rented out our first double rooms.Up until today a lot has happened: double rooms led to a youth hostel and then back to bed and breakfast.In the late 1980's we decided to renovate and redesign the entire house to make room for apartments. For more than 30 years now we have been expanding our house annually – to make our guests' stay even more enjoyable.We run our family business with a lot of love and passion. Our country-style holiday apartments are furnished with attention to detail and guarantee true Tyrolean coziness. Our goal is to make every visitor to feel like they're "dahoam" (Tyrolian dialect for "home").The Schermer familyAndrä, Erika & René
