Ferienhaus in Westendorf

Spend unforgettable days in the Zwischenbachalm in Westendorf in every season. The modern but very cozy furnished Almhouse amid the Kitzbühel Alps will impress you with its rustic atmosphere and its wonderful location.

The house was refurbished in 2013 and has 2 bedrooms and 4 other sleeping arrangements accommodate for a total of 6 people. The spacious outdoor area which offers incredible views of the Kitzbühel Alps invites you to sit together and relax. The rustic kitchen has ample space for cooking evenings to discover the culinary diversity of Austria. At the complete renovation of the hut they placed great emphasis on the use of exclusively natural materials from the region in order to preserve the original character. Despite the peaceful and idyllic location of Zwischenbachalm it is not far to the center of Westendorf.
