Berghütte Rahmhof

Ferienhaus in Wörgl

The 400 years old mountain farmstead is situated on a 7 ha large, remote high plateau - it stands all alone amidst impressive alpine scenery at 780 m above sea level. The town centre of Wörgl is 6 km from the farm while the lifts of the ski and hiking area SkiWelt Wilder Kaiser Brixental in Hopfgarten and Itter are only 4 km away. Our house is particularly suited for self-catering groups up to 20 persons. It is a real gem for befriended families with several children who want to spend some days together or for someone who wants to enjoy the unique alpine flair together with friends or colleagues on a weekend. The cabin is also the perfect venue for works outings as well as birthday celebrations. There is a huge garden, a roofed patio with a barbecue area and a swing. Free Wi-Fi internet. Special highlight: the two, lovely miniature donkeys Hanni and Zotti !
