### Pamela Weber

As a very home-connected person with 3 Italian Greyhounds, we roam the mountains and valleys of Waidring where we live every day. Every day I am fascinated anew by our breathtaking nature and so are my dogs, who zoom around the alpine meadows. At some point, the idea came up to enable people with dogs to do the same, at least on vacation, and so we plan to open holiday apartments especially for dog owners. Now with the right property, I am realizing my heart project and welcome my first guests starting in June 2020. Modern, rustic Tyrolean cosiness with all the comforts for the two-legged friends, as well as equipment specially designed for dogs, are intended to sweeten the best time of the year for the whole family, including the furry friends. My 3 boys and I are looking forward welcoming you soon.
