## **Gertraud Rudolph-Stöckl**

We are the Rudolph-Stöckl family – and our hotel is much more than just our workplace.

It is a heartfelt project that we live as a family. Since Gertraud took over the house in 2000, many things have developed, but one thing has remained the same: Our joy in welcoming people to our home.

For our guests are not simply visitors to us – they are a part of our house and our story.
